

DR LOUISE IRVINE

NATIONAL HEALTH ACTION PARTY

THE PROGRESSIVE ALLIANCE CANDIDATE

STANDING IN SOUTH WEST SURREY FOR THE
PARLIAMENTARY ELECTION 8 JUNE 2017

USE YOUR VOTE TO DEFEND YOUR NHS

- STOP PRIVATISATION
- REVERSE CUTS
- PROTECT PATIENTS
- SUPPORT STAFF

Dr Louise Irvine is the progressive candidate for South West Surrey.

Louise is backed by **Compass**: allied local NHA, Labour, Green and Lib Dem supporters.

COOPERATIVE DECISION MAKING

Open, honest representation is essential in government. Decisions should be genuinely community-driven. Louise will have no party whip, and use her vote in SW Surrey's best interest.

Planning reform for Green Belt protection

SUSTAINABLE DEVELOPMENT

Development must be sustainable and driven by local need. There should be no building on green belt land and more truly affordable and social housing, backed up with improved public transport.

SUPPORT THE NHS

Louise stands for a properly funded and properly staffed NHS, with public ownership and accountability. The commercialisation and privatisation of the NHS is a costly waste.

BRITAIN'S FUTURE IN EUROPE

Britain has strong economic ties with Europe which must not be jeopardised. Louise will use her vote to support and maintain strong European connections. Our public services will remain at the heart of her mission.
